

2020 Pennsbury Tournament  
“ By Invitation”

Hello everyone,

This is the 40th year for the Pennsbury Tournament.

June 19, 20, 21, 2020.

For the 40th celebration, Joe and I thought we would shake the tournament up a bit and make a few needed changes.

As everyone knows, we can not park the cars that attend the tournament at the main Pennsbury Fields, so something has to give, last year we tried dropping 3 of the 9 fields that use the same parking facilities and we still could not park the cars.

With that in mind.....

We are putting together a new format, one that will allow us to make adjustments for things we find more important today then we did yesterday and with an eye to the future, we remember that it is all about the player being recruited.

Applications will be available on or about September 15, 2019.

We will accept the applications until December 1, 2019.

We will send out the invitations on December 15, 2019.

There will be no early acceptance phase.

We thank you for the interest you have in the tournament and for all the teams that have participated we thank you for your understanding and patience as we have worked thru various weather concerns over the years.

Our ruby anniversary tournament is coming !!!!!

Les and Joe
